

**GURU NANAK
UNIVERSITY**
HYDERABAD

**EXPANDING THE HORIZONS
THROUGH KNOWLEDGE.**
EXPERIENCE PASSION
IN PROGRESS.

**ONE OF THE
FIRST PRIVATE
UNIVERSITIES IN
TELANGANA**

GURU NANAK UNIVERSITY has been established by the Guru Nanak Educational Society with the primary objective of educating the young generation and imparting knowledge through world class quality education and facilities. It is a modern campus equipped with cutting-edge labs and research centres. The university is an amalgamation of worldwide cultures as students come together from countries spread all across the globe. Deep associations with multi-national companies to offer add-on courses was the first of its kind in Telangana and Andhra Pradesh, aimed at equipping students with contemporary knowledge in all the advancing professional fields.

At GNU, we are keen on grooming pioneers who are leaving the campus with an open mind filled with the wealth of knowledge and the courage to explore and excel.
