Student Testimonials

"The best part of Marwadi University for me were my faculty members from Automobile and Mechanical Engineering Dept. The institution provided me the first steps towards Indian Navy. My graduation from MU groomed me and instilled officer like qualities in me that helped me clear the toughest exam to get selected as an officer. I heartily acknowledge my faculty members and placement team for my achievement."

Dushmantkumar Umakanta Das
BE - Automobile

"I feel blessed to be a part of Marwadi University. I am very thankful to the institution for the support and help to nourish my skills through SIG & C2C sessions. My placement is a tribute to my parents & teachers for their guidance throughout my life. Special thanks to the Placement Cell for helping me achieve the dream offer of 9 Lacs per annum."

Deep Maheshkumar Ranipa

"Every year, renowned companies visit Marwadi University for campus recruitment. The education and training that we receive at Marwadi University gives us an edge in the market. We are so well trained by our Learning and Development Department and the Placement Cell who work hand-in-hand, equipping us with all 21st-century skills. I was recruited at one such campus interview and currently, I am placed in Bangalore for my internship training. Thanks to Marwadi University, I have begun very well – and as they say, 'Well begun is half well done.'"

Dhrumil Kotak
MBA, Marketing

"From the day I joined the institution my journey to grow and thrive began. The faculty here have played a pivotal role in carving my destiny. Our 'Learning and Development Department' trained us with 21st-century soft skills, a must in today's job market. Through our Placement Department I started my career as a subordinate in Zomato, and owing to the skills I learned at the institution, within 21 days I was promoted to the post of a Regional Manager in 'Zomato' with a whopping package of 6 lacs+. Thanks to the 360-degree education I received at the institute, I am looking forward to a brighter future."
