ACHIEVEMENTS AND AWARDS

Asian Arab Award 2019

GNI was conferred with Asian Arab Award - 2019 by Asian Arab Chamber of Commerce on 30th March 2019 at Taj Krishna, Hyderabad. Prof. P. Parthasarathy, Associate Director and Dr. S. V. Ranganayakulu, Dean (R&D) received the award on behalf of Guru Nanak Institutions.

GNI Associate Director & Dean R & D with Arab Officials

Institution Innovation Council (IIC)

GNI has collaborated with IIC to establish services in GNI. The Institution Innovation Councils (IICs) of Guru Nanak Institutions Technical Campus (GNITC) and Guru Nanak Institute of Technology (GNIT) received Recognition from the Ministry of Human Resource Development (MHRD) on 21st November, 2018 to foster a culture of Innovation with support from Innovation Cell of MHRD. It provides support in conducting Start-up services & Centers, Incubation, Organizing Hackathons, Idea Competitions, Product Development Competitions etc.

Certificate of establishment of Institution Innovation Council (IIC)

Certificate of establishment of Institution Innovation Council (IIC)

Memorandum of Understanding (MOU) @GNI

- Guru Nanak Institutions signed MOU with Panasonic International Group for internship and R & D activities leading to final placements of students.
- Guru Nanak Institutions signed MOU with multiplier solutions and Datawise for internships and hiring students from B.Tech and MBA courses.
- MOU with Kwality Photonics Pvt. Ltd. on 23rd July 2018 for providing student internships, trainings, workshops etc.
- Vajra Soft Inc, CA, USA & Innovaccel Pvt. Ltd, Hyderabad signed MOU with GNI on 4th Jan 2019 to provide training, internships, R&D consultancy projects, Establishment of Incubation Center etc.
- Storm International Group Pvt. Ltd (SIG), Australia and GNI entered into an MOU on 24th Aug 2018 to provide student training and recruitment, higher education in Foreign Universities, exchange of faculty, joint research and academic collaboration.
- IDEALABS, Hyderabad entered into a MOU on 30th Oct 2018 to provide Mentor Connect, Bootcamps & Hackathons, Corporate Challenges, International Contests, Summer Schools, Center of School, Center of Excellence, Product Development and Incubation, Entrepreneurship Development, E- Summits and Maker Faire, Funding Opportunities, Co-innovation and joint research etc.
- MOU with Spectrochem Instruments Pvt. Ltd. to provide Student Internships, trainings, workshops etc. on 21st Dec 2018.

PLACEMENT & TRAINING SCENARIO @ GNI

Training and Placement Department plays a vital connect between Industry and Academia. The role of this department is multi faceted, which includes inculcating the right skills among its students and providing them with the right opportunities to get placed in various companies. Guru Nanak Institutions Training and Placement Cell arranged 192 hours of training on Soft Skills, Behavioral Aspects and Aptitude Skills. We prepare our students to meet the growing demand of technical personnel by training them in industry oriented curriculum which includes UI/UX, IoT, Cloud Computing, Solar Engineering, Mobile Application Development. GNI focuses on upgrading the students through 13 centers of excellence by using Industry.

Strategies for Placements at GNI

GNI has integrated curricula with internships, PPTs, Technical trainings, Mini project trainings and Major project trainings, etc. from as early as 2nd year of B.Tech project. Campus hiring (On or Off Campus) can also help companies reduce the attrition rate dramatically, an extremely important benefit as employees are switching careers more frequently than ever before. At GNI we closely monitor the scenario in corporate world right from any new startup, to existing business house foraying into new business to any company selling out its existing business. Key points of our placement strategy are given below:

- Pin point areas / sectors for hiring
- Mobilizing career - through extensive trainings (Technical & Behavioral)
- Start building a rapport
- Using social media
- Conveying your brand to others
- Career guidance & counselling cell

We start training the students right from 2nd year on various aspects which include technical, aptitude and behavioral. The center of excellence on the campus helps students get R&D bent of mind so that technical knowledge is enhanced. Finally with the help of key sessions from leading corporate houses GNI guides and motivates the students to perform.

PLACEMENT & TRAINING SCENARIO @ GNI

Glimpses of Placements at GNI 2019

GNI provides multiple placement opportunities to its students throughout the year and get them placed with good packages, the highest one in 2019 being Rs. 12 lakh. 933 students already got their dream jobs and GNI is the best campus for the students who are really looking out for a rewarding career.

Jubilant Students of GNI with Offer Letters

GNI Organized POOL CAMPUS DRIVE for Vistex, 600+ students participated from various colleges of Hyderabad.

Mr Roop Kumar Raju, Vice-President, CtrlS addressing students during the Pool Campus Event at GNI for Engineering and MBA Graduates

Team from Innovacx at Guru Nanak Institutions during Pool Campus Event in which more than 800 students across AP and Telangana participated

Jubilant Students of Guru Nanak Institutions after being selected in NTT Data, which is one of the premier brands

Interviews for Tectoro, where 800 students of Telangana participated at Guru Nanak Institutions

Guru Nanak Institutions organized Pool Campus Drive for Jaro Education for Engineering and MBA Graduates with a package of 12 LPA

Guru Nanak Institutions hosted Pool Campus Drive for Virtusa on 27th and 28th February 2019 for more than 1000 students

PLACEMENT & TRAINING SCENARIO @ GNI

Recruiters' Testimonials

Mr Jagdeesh, JR Seamless

We have been hiring Mechanical students regularly from GNI and they have played a pivotal role in our expansion plans.

Mr Muqeeth, HR Team

I visited GNI during the campus event and found very good students who were logical in their approach and knew what exactly they wanted in career. Thanks to GNI for good students.

Mr Saurabh Gawas, HR Team

GNI has given us lot of selects. We are happy with the quality.

Mr Veera, HR Team

GNI is one of those campuses which has put great effort to develop their students and make them corporate ready.

Mr John George, Weldcraft

Guru Nanak Institutions, Hyderabad has a very good infrastructure to groom right talent amongst the students.

Mr Prashant

We are happy to associate with GNI for campus hiring. They have good students who can be absorbed into the organisation.

Parents' Testimonials

Bikarna Das
F/o Karishma Das,
Placed In TCS &
Optum.

I am proud and happy to see my child following her dreams. The continuous effort put down by her and also by the GNI staff has brought her into such a good career with Optum and TCS. I thank GNI for all the support and guidance you have given to my child.

Abdul Moiz Ansari
F/o Abdul Waheed
Ansari, Placed In
Wipro.

I am very thankful to the GNI staff and the placement cell for making my child stand in such a good position by placing her in one of the best companies like IBM and driving her towards her dream.

Students' Testimonials

**Ms. Ogirala
Alankritha**
Infosys

Our College has provided us enhanced and efficient trainings which enabled me to bag my dream job with Infosys. I am very thankful to GNI management for providing us the best of placement opportunities.

Mr. Jagadeesh
Open Text
Technologies

I have been placed in Open Text which is a very good company. I am really grateful to the management who has trained us on various technologies such as Python, Java, .Net etc. I owe my success to GNI

PLACEMENT & TRAINING SCENARIO @ GNI

Students' Testimonials

Ms. Karishma Das
TCS And Optum

Every student's dream is to get an opportunity to start their career with well-known MNC, and I got placed in TCS and Optum which are Global information Technology Companies. Thanks to Training & Placement department for providing this opportunity. I am looking forward for an excellent career.

Mr Uppalapu Jyothi Prasad
Value Labs

GNI hosted first time Value Labs drive. I am glad to be part of training. Now I am a part of Value Labs. I believe that there exist determination and moral support to achieve an initial step of something best in life. The former part is within us and for the latter there are the people who provide us with utmost help for which, I would like to thank the Training & Placement Department and my college staff.

Mr. Abdul W Ansari
Wipro Technologies

I am grateful GNI- Training & Placement Department. They've made efforts ensuring maximum number of get placed students. The college started grooming us for placements right from 2nd year. I was completely confident and cracked the aptitude and technical tests and interview rounds due to the mock tests and interviews conducted by the Training & Placement Department and our faculty members.

Mr. Deepak
J R Seamless Pvt Ltd.

Getting selected in Core Mechanical Company was my dream and through GNI I was able to get my dream. I am very happy to be a part of GNI for making my success story.

Alumni Testimonials

Mr. Sampath Kumar Konda
Roll No.: 01B91A0447

My journey of transformation started from Guru Nanak Engineering College. It was a life learning experience of varied qualities in education. When I joined in 2001, I had mixed feelings that I might complete my course or not, but with the help of my faculty and HOD, it went on smoothly. I am thankful for the Administration and Management which has given me enough courage to begin my own Start-Up after my B.Tech. Today I am a successful CEO of an Automotive Electronics OEM Company and I am helping many families by providing employment. Grateful to GNI.

Ms. Akkina Swetha
Roll No: 01B91A0201

My four years duration at Guru Nanak Engineering College has been an excellent journey and a memory to cherish for a lifetime. The years spent here has been full of learning opportunities that were full of fun and frolic and sometimes with academic grind that one has to go through. The international exposure made me a better professional to face the challenges of the corporate world I am currently working in PWC. Thank you.

RESEARCH, INNOVATIONS & DEVELOPMENTS

On-Going Projects /Grants

DRDO, ISRO, ICMR, AICTE, CSIR, DST sanctioned grant-in-aid of Rs. 2,33,16,784/- for conducting International Conferences of Innovations, Workshops and Modernization of Labs during the academic year i.e., 2018-2019. The principal organizers working on the conferences are from various departments namely:

- Dr. H. S. Saini, Professor in CSE & Managing Director, GNI received Rs. 50,000/- grant from DRDO for conducting 6th International Conference on Innovations in Computer Science & Engineering (ICICSE-2018) during 17th – 18th Aug, 2018.
- Dr. R. K. Singh, Professor in ECE & Associate Director, GNITC received Rs. 50,000/- grant from ISRO for conducting 7th International Conference on Innovations in Electronic and Communication Engineering (ICIECE-2018) during 27th – 28th July 2018.
- Dr. P. Suresh, Professor in Pharmacy & Associate Director, GNTC has received Rs. 70,000/- grant from Indian Council of Medical Research (ICMR) for conducting 3rd International Conference on Innovations in Pharmaceutical Sciences (ICIPS-2018) during 3rd – 4th Aug, 2018.
- Dr. M. Harinatha Reddy, Professor in Mechanical Engineering, GNITC received Rs. 40,000/- grant from Indian Council of Medical Research (ICMR) for conducting two Day National Level Seminar on "3D Printing Technology – Innovations in Clinical BIO Medical Field" during 31st Aug – 1st Sep, 2018.
- P. Parthasarathy, Professor in EEE & Associate Director, GNITC received Rs. 15.784 lakh grant from AICTE under MODROB scheme for modernization of Electrical Power System and Simulation Lab on 2nd April 2019.
- Dr. J. Sugumar, Professor in ECE, GNITC got sanctioned grant of Rs. 1 lakh by Council of Scientific and Industrial Research (CSIR) for conducting 8th International Conference on Innovations in Electronics and Communication Engineering (ICIECE-2019) during 3rd - 4th Aug, 2019.
- Dr. J Rajeshwar, Professor and Head of CSE, GNITC has received Rs. 9.0 lakh grant from DST under ICPS for conducting two week Faculty Development Program (FDP) on "Cyber security analysis and security for physical infrastructure". on 5th April, 2019.
- Dr. S. Madhu, Professor in CSE, GNITC has received Rs. 7.0 lakh grant from DST under ICPS for conducting three day workshop on "Intelligent Automation through Machine Learning". on 5th April, 2019.

PATENTS FILED /INTELLECTUAL Property Rights (IPR)

1. Dr. H. S. Saini, Managing Director, GNI filed a patent (F. No. E-12/596/2018/CHE) entitled "Split Exhaust System with Single and Multiple Suction Fans for Flue Gases in a Kitchen Chimney" to Indian Patent Office on 16th June 2018 and published in Indian Patent Office journal on 29th June, 2018.
2. Dr. S. V. Ranganayakulu, Dean R&D, GNITC filed a patent (File No. 201841011292) entitled "Method and procedure for estimation of critical parameters of various Nanofluids for usage of the Nanofluids in different application" on 9th March 2018 and published in Indian Patent Office Journal on 20th April, 2018.
3. Dr. S. V. Ranganayakulu, Dean R&D, GNITC filed a patent (F. No. 201841016879.) entitled "Method of carrying out kinetic studies on changes of ultrasonic velocities in the mixing of solvents for pharmaceutical products synthesis" to Indian Patent Office on 04th May, 2018 and published in Indian Patent Office Journal on 11th May, 2018.
4. Dr. S. V. Ranganayakulu, Dean R&D, GNITC filed a patent (F. No. 201841018264) entitled "Improvements in drug developing/manufacture and membrane permeability using ultrasonic investigating studies and application of Linear Free Energy relationships" to Indian Patent Office on 16th May, 2018 and published in Indian Patent Office Journal on 25th May, 2018.

RESEARCH, INNOVATIONS & DEVELOPMENTS

5. Dr. G. Sankaranarayanan, Professor in Mechanical Engineering, GNITC filed a patent (F. No. 201841046570 A) entitled "A natural fiber reinforced protective mechanism for tee Head" to Indian Patent Office on 14th December 2018.
6. Dr. G. Sankarnarayanan, Professor in Mechanical Engineering, GNITC and Dr. M. Thariq Hussan, Professor & Head of Department of IT, GNITC filed a patent (F. No. 201941003139 A) entitled " Vision Based Safety Seat Belt Monitoring System" to Indian Patent Office on 25th January 2019 and published on 1st February 2019 in Indian Patent Office Journal.
7. Dr. T. Thirumalai, Professor in Mechanical Engineering and Associate Dean (R&D), GNITC filed a patent (F. No. 201941004659A) entitled "Wear Behavior of B4C Reinforced Hybrid Aluminum Matrix Composites at Elevated Temperature" on 6th February 2019 to Indian Patent Office and published in Indian Patent Journal on 15th February 2019.
8. Dr E. Madhusudhan Reddy, Professor in CSE, GNITC filed a patent (F. No. 201941009083 A) entitled System and Method for Monitoring and Improving the Structure of Calcaneal Shift Impacted Foot" on 8th March 2019 to Indian Patent Office and published in Indian Patent Journal on 2nd March 2019.
9. Dr. Rashid Mahmood, Professor in ECE, GNITC filed a patent (F. No. 201841044218) entitled "Method and System for Rendering Road Information from a First Vehicle to a Second Vehicle" on 23rd November 2018 to Indian Patent Office and published in Indian Patent Journal on 2nd March 2019.
10. Dr. Rashid Mahmood, Professor in ECE, GNITC filed a patent (F. No. 201811040942 A) entitled "Method and System for Wirelessly" Charging of an Appliance" on 14th October 2018 to Indian Patent Office and published in Indian Patent Journal on 28th December, 2018.
11. Dr. M. Thariq Hussan, Professor & Head of IT, GNITC filed a patent (F. No. 201941003139 A) entitled "Vision Based Safety Seat Belt Monitoring System " on 25th January 2019 to Indian Patent Office and published in Indian Patent Journal on 1st February 2019.

Patent Filed to WIPO

12. Dr. H. S. Saini, Managing Director, GNI filed a patent (File No. PCT/IN2018/050523) entitled "Split Exhaust System with Single and Multiple Suction Fans for Flue Gases in A Kitchen Chimney" to World Intellectual Property Organization (WIPO) through Patent Cooperation Treaty (PCT) on 22nd August 2018.

SSLIC Activities under Industry – Institute Interaction

GNI established a Solid State Light Incubation Centre (SSLIC) in association with the experts from the relevant industries under the guidance of Dr. H. S. Saini, Managing Director, GNI. SSLIC is a student centric learning unit which provides industry tuned course work like Dynamic Market Driven Curriculum, Product Development, Innovation and Research to develop the core skills of ECE and EEE students.

SSLIC organized a workshop on "LEDs – Manufacturing Process" by an eminent Resource Person Mr. K. V. K. Gupta, Managing Director, LED Chip Pvt. Ltd on 28th March 2019. The students Mr. Siva Ramakrishna of 2nd year (EEE, GNIT) and Mr. Saicharan of 3rd year (ECE, GNITC) presented on their proposed projects on "Aurdino Uno Control and its applications" and "LED Strips and its construction for Cricket Score Board Applications".

GLOBAL COLLABORATIONS

Alumni @Nepal

GNI has taken the initiative to empower and uplift the students of Nepal by organizing the Alumni Meet on 3rd April 2019 at Indo – Global Foundation, Kathmandu, Nepal. The Managing Director of GNI, Dr. H.S. Saini addressed the students of Nepal to prosper and flourish by giving them opportunities in all the arenas of Engineering. The Alumni Meet has been organized to help, coordinate with and give suggestions to the new students. There are more than 400 Nepal students studying in GNI and most of them are placed in esteemed MNCs.

Managing Director of GNI, Dr H.S Saini felicitating the guest

Visit of Mr. Indraman Chhetri, Commissioner, Royal Civil Services Commission, Thimphu, Bhutan

His Excellency Mr. Indraman Chhetri, Commissioner, Royal Civil Services Commission, Thimphu, Bhutan visited Guru Nanak Institutions with his team members on 4th July 2018. They interacted with the Managing Director of GNI, Dr. H. S. Saini and other officials of the college. They were briefed about the various Infrastructure and other facilities available to the students in the college. They also interacted with GNI Students and acquainted themselves with the information on Robotics and various projects undertaken by the students. The team appreciated the efforts of the GNI management in providing world class infrastructure and for imparting quality education to the students.

Mr. Indraman Chhetri, Commissioner, Royal Civil Services Commission, Thimphu, Bhutan visited GNI

Nigerian Independence Day at GNI campus

On 1st October 2018, GNI students from Nigeria celebrated the Nigerian Independence Day in GNI campus. During this occasion, Mr. Natarajan, Director International Admissions and Mr. Amit Balla congratulated all the students and prayed for the wellbeing & prosperity of all Nigerians in the years to come.

Mr. Natarajan GNI, Director International Admissions and Mr. Amit Bhalla with Nigerian students

Third Educational Tour to Singapore

DR. R. K. Singh led the third Educational Tour to Singapore with students and faculties. They were exposed to the latest techniques used by the Universities, Industries and the development of Smart City of Singapore. The team visited the Urban Redevelopment Authority City Gallery and Infocomm Development Authority's a Smart Nation Showcase which provides live experiences of initiatives across workspaces, town planning, data and innovation. It also included 3M, EON Reality and 3D printing by 3D Matters.

CONFERENCES, WORKSHOPS, GUEST LECTURES & FDPs

2nd International Conference on Innovations in Mechanical Engineering (ICIME-2019)

Release of JIME an International Journal of GNI Issue-1 & Issue-2 in ICIME-2019

Professor E. Sheldon D. Wall Brown, Guest of Honor ICIME-2019

The aim of the conference was to provide a platform for researchers, scientists, technocrats, academicians and engineers to exchange innovative ideas and findings in the field of Mechanical Engineering. The conference was conducted on 4th and 5th January 2019. There were 6 working committees, national and international advisory committees to guide and promote the conference. Pre-conference Tutorials were conducted on 28th December, 2018 in the seminar Halls of GNITC and GNIT. Around 450 students were benefitted. The conference was sponsored by AICTE. The research papers of ICIME2019 were published by springer.

Dr. Supredeepan from BITS Hyderabad and Dr.Krishnaiah, GM, R&D, BHEL, Hyderabad delivered Lectures on Vibrations and Machine Learning to the Mechanical Engineers. Out of 220 papers received, only 100 papers were selected for the conference. On 4th Jan., 2019 the Inaugural Function of ICIME conference was conducted in the Indoor Auditorium of GNITC. The event was honoured with the presence of Dr. Dibakar Das was the Chief Guest and Professor E. Sheldon D. Wall Brown was the Guest of Honor. Over the two days of the event, papers were presented in 4 sessions. The best papers presented were encouraged with awards given on 5th January, 2019 during the valedictory function.

3rd International Conference On Innovations In Electrical & Electronics Engineering (ICIEEE-2018)

EEE Department organized its 3rd International Conference ICIEEE-2018, on 24th & 25th August, 2018. Prof. P. Parthasarathy, Associate Director and Mr. E. Sheldon D. Wall brown, Managing partner, Break mark Education, United States shared their words of wisdom during the event, ICIEEE 2018. Souvenir conference proceeding were released by Dr. H. S. Saini, Managing Director GNI, the Guests and Dignitaries.

Mr E Sheldon addressing the conference

The Guests and the dignitaries of GNI releasing the proceedings

CONFERENCES, WORKSHOPS, GUEST LECTURES & FDPs

6th International Conference on Innovations in Computer Science and Engineering (ICICSE -2018)

Guru Nanak Institutions conducted its 6th International Conference on Innovations in Computer Science and Engineering (ICICSE-2018) on 17th & 18th August, 2018 in collaboration with Computer Society of India, DRDO and Springer LNNS series publication. ICICSE-2018 had been funded by DRDO through Dr. H. S. Saini, Professor in CSE & Managing Director, GNI.

ICICSE-2018 proceedings were published in Springer LNNS Series, Journal of Innovations in Computer Science & Engineering (JICSE) Volume 7 issue 2 & Volume 8 issue 1. Another set of Proceedings were published in ISBN indexed and Journal of Innovations in Information Technology (JIIT) VOL 2 ISSUE 1. Pre-Conference tutorial was organized for the benefit of the students, research scholars and faculty members. The conference had 2 technical sessions per day, one for Springer and other one for special sessions. It was chaired and co chaired by eminent Professors and Doctorates. The Valedictory Function of ICICSE-2018 concluded with the distribution of Awards for the Best Papers presented, Participation Certificates and Vote of Thanks by Dr. Rishi Sayal, Associate Director, Co-Chair ICICSE-2018, Guru Nanak Institutions Technical Campus.

Springer LNNS Souvenir ICICSE-2018 released by Chief Guest Lt. Col. Khairol Amali Bin Ahmed, Dean of the Engineering Faculty, Malaysia.

Dr. H. S. Saini, Managing Director, GNI felicitating the Chief Guest with the Memento

7th International Conference on Innovations in Electronics and Communication Engineering (ICIECE -2018)

Since the commencement of ICIECE in the year 2010, it is being conducted every year by ECE department. The seventh international conference ICIECE 2018 was organized by the Department of ECE, Guru Nanak Institutions. It was sponsored by Springer along with IETE, ISTE and supported by Microsoft, Texas Instruments and others. Eminent speakers from abroad were invited as Chief Guest and the Guests of Honour. The conference became a huge success as it attracted a large number of participants from India and abroad. International speakers like Dr. KIM from South Korea and Dr. Razali bin Ngah from UTM Malaysia were invited as Chief guests. Eminent Speakers from reputed Universities like Dr Raj Kamal, Ex-Vice Chancellor, Devi Ahilya University, Indore, Dr Girish Kumar, IIT Bombay and Dr Nandy from ISC Bangalore were invited as the Guests of Honor. The Souvenir and the 'Journal of Innovations in Electronics and Communication' were released by Dr. Kim and Dr. H.S. Saini, Managing Director, GNI. More than 300 scientists, research scholars and students from various Institutions presented paper on Communications, Signal Processing, VLSI, Embedded Systems.

Dr. H S Saini with Dr. Kim along with other dignitaries

Dr. H S Saini, Managing Director, GNI felicitating the Chief Guest with Memento

CONFERENCES, WORKSHOPS, GUEST LECTURES & FDPs

3rd International Conference On Innovations In Pharmaceutical Sciences (ICIPS-18)

The Guests and the dignitaries of GNI releasing the proceedings

Managing Director, Dr. H.S. Saini and Director, Dr. Ramalinga Reddy felicitating Dr. C.H. Kokate, former President of Pharmacy Council of India and former Vice Chancellor of Kakatiya University & KLE University during the ICMR sponsored International Conference on Innovations in Pharmaceutical Sciences-2018

Guru Nanak Institutions Technical Campus-School of Pharmacy, Ibrahimpatnam, Hyderabad organized its 3rd International Conference on Innovations in Pharmaceutical Sciences (ICIPS-18) on 3rd & 4th August 2018. GNI provide unique platform for researchers to interact/share their experiences & knowledge on the theme of the conference, "Focus on Innovations to remain Globally competitive in Pharma Sector".

Dr. Lakshmi Takkalapally, Head of the school of pharmacy, was the conveners of the conference. Prof. Chandrakanta Kokate, former President of Pharmacy Council of India and former Vice Chancellor of Kakatiya University & KLE University had graced the inaugural programme as Chief Guest. The dignitaries like Dr. D.N. Rao, ICMR Emeritus Scientist & President, Indian Immunology Society, Ex- Head, Dept Biochemistry, AIIMS, New Delhi, Sri. S. L. Nasa President of The Indian Hospital Pharmacists' Association and Registrar Delhi Pharmacy Council, Dr. M. Venkata Reddy Chairman, Law committee PCI, Dr. K.G.A.P. Attanayake, Faculty of Medicine, University of Ruhuna, Galle, Sri Lanka, Dr. Prashant Sakharkar, Associate Professor, Clinical and Administrative Sciences, Roosevelt University, College of Pharmacy, Chicago USA graced the inaugural programme as Guests of Honour.

Summer Research Internship Workshop

CL Educate Ltd, Hyderabad organized a workshop to promote the student summer research internships in GNITC to enhance their professional skills and academic competencies. Mr Krishna Narayana Patel, Microsoft Certified Speaker and Associate Vice- President of Career Launcher Ltd, delivered a talk on "Summer Research Internship" on 25th March 2019 to the 3rd Year students of CSE, ECE, EEE, IT and ME departments.

Mr. Krishna Narayana Patel delivered a talk on Summer Research Internship

ADOBE/REDHAT – Trainings

Around 1500 students from II, III, and IV year of GNI have been given training under ADOBE- UI/UX, ADOBE- IOT & REDHAT – Cloud Computing Technologies by real time Industry experts. 500 students from final year have completed their real-time Mini & Main Projects in ADOBE-UI/UX, ADOBE – IOT and REDHAT – Cloud Computing Technologies. Further around 1000 students from II year and III year have undergone basic and advanced training to complete their Mini Projects.

Training session for GNI students

CONFERENCES, WORKSHOPS, GUEST LECTURES & FDPs

Workshop on Outcome Based Education and Bloom's Taxonomy

Guru Nanak institution is responsible for setting its own outcome, fulfilling this Three day workshop on Outcome Based Education (OBE) organized at Guru Nanak Institutions Technical Campus on December 26th, 27th & 28th, 2018. Dr. S. Natarajan, Director, Victoria Training Foundation, Hyderabad & Dr. R. S. Chalapathi, International Consultant, Hyderabad, was the resource person GNI has the Assessment tools which are going to be implemented in the upcoming academic year like End-of-Course Surveys, Student Comments, Rubrics, Internal Assessment & Home Assignment, Semester End Performance Reports, Course Performance History Plots etc. GNI adopted Bloom's Taxonomy wherein Assessment is done through the process of collecting information about student learning in order to enhance teaching and learning process.

Participants of Outcome Based Education & Bloom's Taxonomy Workshop

Education Matters

Dr. Eric Harter and other Delegates from Campbellsville University , Kentucky (U.S.A) interacted with students of GNI about possibility of student exchange ,research collaborations and GNI student admission to Graduate Courses in that university .

Dr. Eric Harter addressing students of GNI

Practical session for students

Hands-on Session On LED Bulbs

The Department of ECE, GNITC organized a workshop on "Hands-on session on LED bulbs" from 4th April 2019 to 9th April 2019 for II and III year students. The aim of the workshop was to provide knowledge on Soldering and Integration of basic circuits, providing complete knowledge on LED bulbs and manufacturing process of bulbs.

Summer Research Internship Seminar @EEE

EEE Department organized "Summer Research Internship Seminar" in association with Career Launcher on 25th March, 2019.

Dr. S.V.Ranganayakulu, Dean (R&D) addressing the students

Campus Visit of Chhattisgarh Students

Dr. S.V. Ranganayakulu, Dean R&D delivered a talk on "Why Engineering and Pharmacy" to the students of Chhattisgarh on 25/3/2019 at GNITC Campus.

Practical session along with students

FDP on "FORMAL LANGUAGES & AUTOMATA THEORY" - 4th Dec., 2018

The Department of Computer Science & Engineering successfully organized a One-Day Faculty Development Program on "Formal Languages & Automata Theory". Guest of honor for the FDP was Dr. U. S. N. Raju, Associate Professor, CSE, NIT-Warangal.

Dr. S. Sreenatha Reddy, Principal GNIT, introducing the Resource Persons

English for Innovators and Technocrats (EFIT-2018)

The department of English, H&S, GNIT organized a One Day National workshop on English for Engineers and Technocrats EFIT-2018 on 4th and 5th July 2018. Faculty members and students from various colleges across Andhra Pradesh and Telangana states attended the Workshop.

Pharmacists Day @GNI

The Pharmacists Day was celebrated at School of Pharmacy, Guru Nanak Institutions Technical Campus, Ibrahimpatnam Hyderabad on 25th September 2018. Dr. M. Ramalinga Reddy, Director, GNITC greeted the Pharmacists and conveyed his best wishes.

To commemorate the occasion, an essay competition was organized among the students of Pharmacy on the theme of the Pharmacists Day "Pharmacists, Your Medicines Experts."

Further, a voluntary blood donation programme was organized by the Institute under the guidance of Dr. M. Ramalinga Reddy, Director, GNITC. The programme was coordinated by Mr. Jitendra Debata and Mr. V. Balakrishna with the active participation of all staff and students of the School of Pharmacy GNITC.

Blood Donation Camp at School of pharmacy, GNI

CONFERENCES, WORKSHOPS, GUEST LECTURES & FDPs

The Department of Computer Science & Engineering organized a One-Day Faculty Development Program on "Machine Learning & Pattern Recognition" by Dr. K. Venugopala Rao, Professor & Dean, Dept. of CSE, GNITS.

EEE Department organized a Faculty Development Program on 5th December 2018. Dr. M. Surya Kalavathi, Professor, JNTUH, Hyderabad had a session on the topic "Extra High Voltage AC Transmission".

Engineers Day & IETE Day Celebrations @GNI

To commemorate the birthday of Sir Mokshagundam Visvesvarayya, who contributed to the field of hydel energy in India to identify and acknowledge the great work done by our hard working & smart engineers, Engineers' day, IETE Day was celebrated on 15.09.2018 in the Indoor auditorium, GNIT in association with IETE Students Forum and ECE Students Association. Prof. A. Ravi Kumar, Chairman, IETE Hyderabad was the Chief Guest and Prof. V. Bhagya Raj, Chairman, IETE ISF & SB Sub Committee, IETE Hyderabad was the Guest of Honour for the programme.

Prof. B. Kedarnath, HOD, ECE addressed the gathering by briefly describing the objectives of IETE students' forum and he also mentioned the technical activities organized under the IETE students forum for the academic year 2017-18. On the occasion of Engineers' day and IETE Day Celebrations, various technical activities like Technical Quiz, CIRCUITRIX and Debate competitions were organized. A workshop on repairing their own Electronic Gadgets was also conducted by the Students as a part of these celebrations. The initiative of IETE students' forum was highly appreciated by all the dignitaries, staff members and students.

GUNA – 2019

School of Management Studies, Guru Nanak Institutions, celebrated the Management Fest GUNA 2019 on 28th and 29th MARCH, 2019 and was sponsored by VG Constructions, Myplace, Max Stationers etc. Guest of Honour Mr. Ramgopal Reddy, Promoter of V.G. Constructions .. Hyderabad, presided over the Management Fest Dr. M. Ramalinga Reddy, Director, Prof. P. Parthasarathy, and Dr. Sandra Kirthy, HEAD-SMS-MBA also graced the occasion Events like BUSINESS QUIZ, ADMAKING, JAM, CASE-STUDIES, BUSINESS IDEA, POSTER PRESENTATION were organized.

Picture Gallery-GUNA FEST-2k19

INDUSTRIAL VISITS

Industrial Visit To ISRO SDSC SHAR

An industrial visit to SDSC-SHAR (ISRO), Sriharikota was organized by Department of Electronics and Communication Engineering of Guru Nanak Institute of Technology in association with IETE Students Forum on 29th and 30th Oct, 2018. The objective of the visit was to provide a technical exposure to the students about Space Technology and advancements in Technology.

Faculty along with students at ISRO Satish Dhawan Space Centre, SHAR

ECE Students Visit to BSNL,Regional TelecomTraining Centre,Hyderabad

The Department of EEE, GNITC organized one day industrial visit to Kothagudem Thermal Power Station on 23rd March 2019.

Srisailam Power Plant Industrial Visit by Students of III-EEE-GNIT

Technical visit on Causeway & Bridges by GNIT students

Integrated Thermoplastics Ltd.

An Industrial visit to "Integrated Thermoplastics Ltd." Medchal was organized by School of Management Studies of Guru Nanak Institutions. Around 100 students of MBA 1st year visited the plant to get Industrial Exposure on production planning, operations and manufacturing on 9th March, 2019.

Presenting Memento to Mr. Rama Krishna Reddy (HR – Integrated Thermoplastics Ltd.) by GNI Faculty Members and students

FACULTY ACHIEVEMENTS

Dr. G. Mahender Reddy
Associate Professor of Mathematics

Dr. Mahender Reddy has been awarded with a Doctoral Degree in "An Extended Extent Analysis Method on Fuzzy AHP with Trapezoidal Fuzzy Numbers and TOPSIS" by JNTUH on 18th June 2018.

Dr. M. Sridhar,
Associate Professor of English

Dr. M. Sridhar has been awarded with a Doctoral Degree from Kakatiya University in the month of July 2018 for his research on "A Thematic Study of Indo-Fijian Diasporic Writing in English."

Dr. B. Srinivas
Assistant Professor of Chemistry

Dr. B. Srinivas has been awarded with a Doctoral Degree from Vignan's Deemed to be a University in the month of March 2019. His Doctoral Research is focussed on Heterocyclic compounds and its biological evaluation. The title of his thesis was "Synthesis, Characterization And Biological Evaluation of "Coumarin-1, 2, 4 - Oxadiazoles, Styryl- Fuo -Chromen -Methanones and yrazolo-Quinoline-Trione" Based Heterocyclic Compounds".

Dr. S. Madhu,
Assoc. Professor

Dr. S. Madhu was conferred with Doctoral Degree in CSE, JNTUA in Oct., 2018 for his research entitled "Cross Layer Design with Security Enhancement for Multimedia Transmission in Wireless Networks"

Dr. R.K Singh,
Associate Director

Dr. R.K. Singh has been awarded with Doctoral Degree from GITAM University in the month of February 2019 for his work on Radars and Signal Processing. His thesis is entitled "Improved Doppler Tolerant Radar Codes for Target Detection".

Dr. Raju Nellutla,
Assoc. Professor of Mathematics

Dr. Raju Nettula authored two books titled "Mathematical Expectation and Moment Inequality" and "Mathematical Expectation and Moment Inequality- Lab Manual" which have been prescribed as Text books for Dr. BR Ambedkar Open University B.Sc. students.

Dr. S. Sivaiah
Professor of Mathematics

Under the supervision of Dr S. Sivaiah, Professor of Mathematics GNITC, Mr T. Siva Nageswara Rao was awarded Ph.D. from Rayalaseema University, Kurnool in "Effect of Chemical reaction with radiation absorption of convective Heat and Mass Transfer through a Porous Medium in Channel/ducts" on 13-07-2018.

Dr. S. Deepajothi,
Associate Professor & HOD, CSE Dept

Dr. S. Deepajothi received the Best Young Researcher National Award for her efforts in Teaching, Research & Publications on 30-05-2018.

FACULTY ACHIEVEMENTS

Dr.Rishi Sayal
Professor & Associate
Director ,CSE Department

Dr. Rishi Sayal invited as Chairperson in International Conference - ICDSMLA - 2019 supported by Springer at CMR Institutions Hyderabad. He also has been invited as Ph.D. Reviewer for VTU at Gulbarga.

Dr. M. I.Thariq Hussan,
Professor & Head, Dept. of
Information Technology

Dr. M. Thariq Hussan has received "Best Teacher Award-2018" from Institute for Exploring Advances in Engineering accredited by EA-JAS.

Dr. Lakshmi Thakkalapally,
Head of the
Department, Pharm. D

Dr. Lakshmi Thakkalapally has authored two books during the year 2018-2019 viz., "Drug Interactions of Sitagliptin with Antiretroviral Drugs in Animals" and "Drug Interactions: A Review on Human and Animal Models" published by Lambert Academic Publishing, Germany. She also acted as convener for an ICMR sponsored International Conference held at GNITC-School of Pharmacy, Ibrahimapatnam.

Mr. Ramana Reddy,
Head of the
Department, B.
Pharm

Mr. Ramana Reddy has authored two books during the year 2018-2019. His books titled "Microwave Synthesis and Biological activity of New 4(3H)-Quinazolinones and Lab Manual & Objectives of Pharmaceutical Unit Operations" were published by Lambert Academic Publishing and Unnati Publications respectively.

Dr. Sagar Pamu,
Assistant Professor
in GNITC- School of
Pharmacy

Dr. Sagar Pamu has a patent application for the title "Banana passage, Preparation Method and Application of Banana passage" with a Patent Application Number: 201941012134. He has also authored 14 books in the academic year 2018-19 and also acted as Chairperson in National Conference held at Balaji Institute of Pharmaceutical Sciences, Warangal.

Dr. D. Stalin Alex,
Associate Professor
& HOD Department
of IT

Dr. D. Stalin Alex, has published Books on Problem Solving and Python Programming, S Chand and Company Limited (ISO 9001 Certified Company) ISBN: 978-93-5283-485-3. He has filed a Patent on Vision Based Safety Seat Belt Monitoring System, DoF :25/01/2019, Publication Date : 01/02/2019. He has received Best Research Award -2018 from International Association for Science and Technical Education (IASTE) and also become an Editorial Board Member of IASTE.

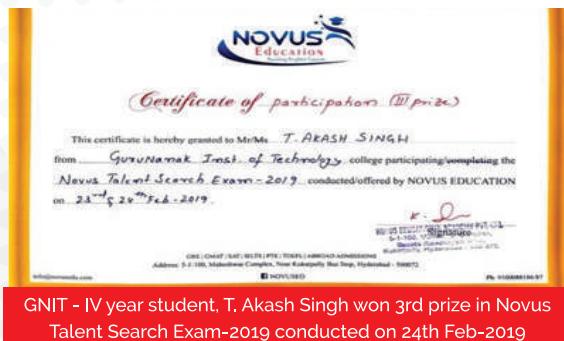

STUDENTS' ACHIEVEMENTS

Gnitian @ TRENDS MISS HYDERABAD 2018

Dheera Pisati, third year computer science student participated in "TRENDS MISS HYDERABAD 2018" where 4000+ applicants have applied from which 23 girls were shortlisted and on 10th October 2018, Grand Finale was organised at HICC NOVOTEL where our student was selected amongst "Top-10" and won the Subtitle "Miss Beautiful Smile".

Dheera posed and won the subtitle Miss Beautiful Smile

GNIT - IV year student, T. Akash Singh won 3rd prize in Novus Talent Search Exam-2019 conducted on 24th Feb-2019

Akanksha, 2nd year CSE, GNIT student receiving award at University Level Youth Festival-2019

Shruthi Agarwal received Excellence Award presented to the toppers of colleges across Hyderabad by Education Matters received from the honorable chief guest, Mr.Bollam Mallaiah Yadav.

GNIT 3rd Year CSE-C Section student participated in Table Tennis at GITAM University and won the Championship

Guru Nanak Institutions received the best CENTRE OF EXCELLENCE AWARD for Go- Karting in Telangana by ELETS in 9th HIGHER EDUCATION HUMAN RESOURCE GLOBAL EDUCATION FAIR on Feb., 4th & 5th, 2019.

Patolla Sanketh Reddy received Excellence Award presented to the toppers of colleges across Hyderabad by Education Matters received from the Chief Guest, Mr. Bollam Mallaiah Yadav

STUDENTS' ACHIEVEMENTS

P. Akash Raj received NSS Asian Guiness record for Swatch Bharat at Chaderghat Musi River Bridge for 12 hour campaign & NSS seed ball campaign with tv9 organization and at Aurora College and also participated in NSS 2nd Asia's largest youth meet on Safe Water for Future.

Jitendar Yadav, J Jeevan Sai & P Akash Raj at the 125th Anniversary of Swami Vivekananda's Chicago Address

Three Days National Level workshop on Automobiles & Advanced vehicle Dynamics from 11th to 13th oct, 2018 organised by Department of Mechanical Engineering GNIT

inauguration of Center of Excellence - Automotives by Mr. David Fallon, Educationalist, ireland University on 29th Aug, 2018. Department of Mechanical Engineering, GNIT

Team participated in " Formula Bharat" & "Student kart Design challenge Academic year 2018. Department of Mechanical Engineering, GNIT
